Dear Potential Employee:

Thank you for your interest in employment with the Tri-County Community Action Agency. Tri-County has determined the basic, appropriate level of staffing needed to fulfill its mission and to meet the needs of the population served. The Agency employs staff according to the staffing needs/requirement of each individual department. These needs vary depending on a variety of factors such as grant-specific requirements as well as those requirements placed on individual programs by local, state and/or federal licensing agents.

The staffing patterns for each program operated by Tri-County are outlined in individual, departmental organizational charts. The job requirements for each position are outlined in each job description. Our goal of employing the "right" person supports management's overall goal of making the Tri-County Community Action Agency an employer of choice, and one that builds loyalty, cohesion and competence within our workforce.

Before your employment can be officially approved, you will be required to provide basic information to the Human Resources Director. Therefore, we require you to submit the following **prior** to starting employment in any of the Tri-County Community Action Agency facilities:

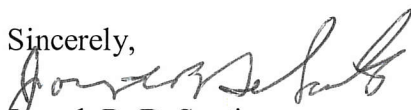

Agency Required:

	Certificate of Wellness: A statement from your Medical Provider verifying that you are able to perform the duties related to your new position.
	A TB / PPD test (and results) completed within the 6 months prior to your employment start date
	Copy of three (3), written references
	Driver's License or State-issued ID
	Copy of Current Vehicle Insurance
	A Passport or two (2) Forms of Identification to complete the I-9 Form (Driver's License or State-issued can be one form of identification; another can be a Social Security Card or Birth Certificate)
	Voided Check (or a copy of the Direct Deposit Form from your bank)
	Completed Job Application which will be e-mailed to you once you have been notified that you have been selected for employment.

Family Care Community Partnership (FCCP) Specific: (This information will be completed on your initial interview. Please speak to the FCCP Director for more details.)

	CANTS (Child Abuse and Neglect Tracking System) clearance to ensure that you have not had any negative involvement with DCYF, related to working with children and/or youth
	Proof of fingerprinting (nationwide BCI check). If the results of this check show disqualifying information, this may not preclude you from employment with Tri-County. These results will be presented to the President/CEO who will approve/disapprove an employment offer.
	Criminal Record Affidavit Statement (to be completed by you and notarized by a Tri-County staff member)
	Employment History Affidavit (to be completed by you and notarized by a Tri-County staff member)

Thank you for your cooperation in submitting these documents. If you have any questions, please do not hesitate to contact Sue Connaughton, Human Resources Director, at 401-519-1902.

Sincerely,

 Joseph R. DeSantis
